

Dr. Priscilla Mpasi, MD, FAAP

Pediatrician | Population Health Specialist
Child Health Advocate | Health Policy Consultant

CHILD HEALTH ADVOCACY

Dr. Priscilla Mpasi is a pediatrician and population health specialist dedicated to promoting the health and well-being of children. Her work focuses on improving access to care and reducing health disparities in underserved communities.

HEALTH EQUITY & MINORITY HEALTH

She is passionate about addressing minority health issues, prevention, and the development of effective public health policies. Her expertise allows her to bridge clinical practice, community health, and health policy consulting.

EDUCATION & TRAINING

Dr. Mpasi was trained at the Perelman School of Medicine at the University of Pennsylvania, where she built a strong foundation in pediatrics and population health.

PROFESSIONAL AFFILIATIONS

She is affiliated with ChristianaCare, where she is committed to high-quality, patient-centered care and the well-being of the communities she serves.

LEADERSHIP & COMMUNITY IMPACT

Beyond clinical practice, Dr. Mpasi is actively involved in medical and community leadership, focusing on children, families, and populations with limited access to healthcare.

A VISION FOR A HEALTHIER FUTURE

Her career reflects a deep commitment to excellence, prevention, equity, leadership, and community service.
